July Boat Parade permits are done for the parade, needs to be OK'd by the town. It is on the agenda.

Articles and information is needed for the newsletter.

Marker report was never sent to the state at the end of the year – Ann will be complete and send.

The markers for the ledge were removed October 1 2016 and will be put in soon.

Signs need to be installed at the boat launch and Cyndi's for the hazards.

Ann will check our Curry Printing in Auburn vs Portland for costs and ease and no one is working in Portland anymore.

Bob L will be doing an article on the dam on Rt 26.

It was discussed to do some bacteria testing in certain areas of the lake, no decision was made on as to who will be doing this. Costs are minimal. ALS lab was suggested.

The Board authorized \$250 for couponing for septic system pumping.

June 24 is the Strawberry Festival at Poland Spring Resort, Lynne and Jeanne F said they would be there. I will deliver shirts and hats to Jeanne prior to festival. The RPA signage will be there.

Tamra White, children's author from Lower Range was mentioned as a speaker for the annual meeting. Also need to check with Cyndi for availability for Annual Meeting at the restaurant.

June 11 was discussed as deadline for all newsletter info – needs to get in and done.
