Ann G. has received the water quality report for last year and will post it on the website and face book pages.

We also discussed who is in control of the dam that runs under Route 26. Ann G. will check with the Town office and report back at next meeting.

There was a discussion regarding whether or not the Association should be marking the ledge on Upper Range Pond. Ann will investigate our legal obligation and any responsibilities we may have once the ledge is marked.

Jeanne F. and Jeanne R. volunteered to set up the new 3 panel display board at this year's Strawberry/Heritage Festival at the Poland Spring Resort on June 25th for an association membership drive. Hours will be 8:00am to 1:00pm; Anne G. will print membership forms.

Members discussed the annual meeting and Anne G. reported that the Dockside is available on Sunday July 31st from 9:00 am to 11:00am. We discussed asking the town, Town Manager Bradley Plante and the Code enforcement officer Nicholas Adams. It was noted that we may be interested in one more speaker, if anyone has an idea please send out an email.

Lynne R. would like to try and bring a sample of milfoil to the annual meeting for lake folks to see firsthand.

Lynne R. is still waiting for the parade permit from the State. It was noted that the 4th of July is on a Monday this year and that it may be better for the parade to be held on Sunday July 3rd. The time was also changed to 1:00pm instead of 2:00pm, we will note that on any flyers that are displayed in the town. Also Jeanne F. volunteered to sew an Association flag to display during the parade.

Meeting was adjourned at 7:30 pm,

Respectfully submitted by,
Jeanne Fifield
