Barry Morgan 2020

Ann Gagne - 2020
John Aromando 2021
Al Guay 2021
Michael Hill 2021
Linda Sprague Lambert 2021
Deb Harmond-Haid 2022

- **Cyndi Robbins email to RPA was discussed.**
- **Corporate filing**
Required signatures obtained.
- **Annual RPA meeting**
Poland town hall is the recommended site. Barry has put in a request to the town for our July date. Due to Covid CDC recommendations the town cannot commit at this time but will get back to us when they know more. Bill will contact Sandy to see if the High school auditorium could be an option.
- **Treasury report**
Sandy is not present to report. Barry has received a copy of the invoice paid for the last water quality testing. Barry will submit this documentation to the town who has pledged a \$1000 donation to the RPA. He also has a bill for the beaver trapping done this spring for \$300. He will submit this to Sandy for payment to Mr. Webster.
- **Newsletter**
Reminder; members are requested to send any articles to Ann in word version for the newsletter.
- **Board Membership**
Term limits have expired for many of the members. Board membership is voted on at the annual RPA meeting. Bill will write an article for the newsletter addressing the RPA vision and accomplishments and to make a plea for new membership. (3-15 members allowed per bylaws.)
- **Wake Marker**
Ann will take care of ordering the wake marker that Cyndi agreed to place at the Dockside boat ramp.

- **Boat moorings**

The board will continue to meet to address the water quality impact of boat moorings on the lake.
