Director: Lynne Richard

The meeting was called to order at 6:30 pm. by President Ann Gagne.

Old Business:

Jeanne F. reported speaking with Craig Fifield regarding the RPEA website and Facebook page. Craig suggested we make it easy for members to renew membership on Facebook, he is able to set that feature on Facebook if we would like that. Anne would also like to keep the website page for those people that don't visit Facebook. Jeanne will talk again to Craig and ask if we can meet with him next time he's here in Poland.

Anne G. still needs to check with Cyndi Robbins regarding the annual meeting at the dockside.

New business:

Sandy M. submitted the invoice from Trafton, Matzen, Belleau & Frenette LLP in the amount of \$135.00 for annual legal fees. Sandy will allocate a check.

Anne G. reported inventory on RPEA tee shirts and would like to order children sizes also. We discussed also buying baseball hats and/or visors. Anne will report back with a quote on what it will cost to add those new items.

Lynne R. submitted a "new logo" for the association. We all liked it and Anne suggested a different font which would be easier to read. Lynne will email us all a sample.

Lynne R. reported we have received a donation of \$300.00 from the Poland Spring water company for a 3 sided 54" x 30" panel display. Lynne has already received the display and is now working on making the inserts. Good job Lynne!

Anne G. reminded all board members that we still need to write an article for the newsletter and submit the article by the beginning of May. Anne would like the newsletter all designed and finished by mid-May.

We discussed the newsletter cost and Lynne R. reported that her company uses Curry Printing in Auburn, Maine and they are very reasonably priced. She received a quote to print 600 four page newsletters would cost \$162.00. Anne will contact Curry Printing to get a quote for a 6 page newsletter folded and mailed.

Next meeting set for April 13th at 6:30 at the Lodge

Meeting adjourned at 7:15
